Dear Honorable Robert D. Drain,

2021 APR -2 P 1:05

S.D. OF N.Y.

My name is Michael Michmali and I have filed a lawsuit with Purdue Pharma and have been following this procedure for over a year. Please your Honor hold these people accountable for what they have done. They destroyed my life. They took everything from me. I worked in the pharmaceutical industry for over 10 years and I saw both sides of the industry, and I became a victim of the opioid epidemic. I graduated from the University of San Francisco. In 2007 I started as a pharm tech in retail, then Inpatient pharmacy, then as a compounding tech then as a pharm rep traveling the country. I lost my career to this and my lively hood. My wife left me and took my daughter who is 8 years old. I'm now a drug addict, addicted to opioids and serving a prison term because of these monsters!!! Please your Honor help me recover something. Thank you, *Michael Michmali*
